

We are inviting select press and artists from the Paris community to attend this special pop up performance by Cabaret Diversity Network tomorrow at the Pantheon:

With the blessing of Josephine Baker's family, a dancer will perform in her likeness in front of the Pantheon on Wednesday, May 12. The performance is in support of the intronisation of Josephine Baker to the Pantheon. It's an action to honor the legacy of Joséphine Baker. Come celebrate the legacy of diversity with us. Don't miss it!

Location: Panthéon, Place du Panthéon, 75005 Paris  
18h
